

MATERIALS LIST for "LIT from WITHIN:

Concentration in this class is on achieving very specific shapes from translucent , thin felt creations (incl.. surprise effects when illuminated) with the help of various wool types, lay out methods, inclusions, support structures and tunnel variations. If a very specific lampshade, or armature needs to be covered , please bring the actual frame or all measurements needed with you to dress this very shape.

Rendezvous Marketplace will have merino roving, Uzbek (and other dyed) silks, and many other supplies, including thin plastic, ball brausers, felting needles, netting, Gertie balls, bubble wrap and underlayment, available for sale. You may contact Outback Fibers or The Felting Source to order ahead of time and they will deliver to the Rendezvous. www.thefeltingsource.com or www.outbackfibers.com
