

## Materials List for Robbin Firth's Nuno-Felted Spiral Wrap

**Note: some materials are available for sale or loan.**

- \* Available for sale in Rendezvous Marketplace
- + Available for loan from The Felting Source, first come-first served, contact Deb Tewell

### **FELTING MATERIALS:**

- \* 3.5 yards of dyed habotai silk (5 momme and 55 in wide)
- \* 3 yards of Margilan dyed silk fabric, 120cm wide. If you can't find 120cm wide then you will need an extra yard and a half to equal 4.5 yards total
- \* 6 -8oz. (12-19.5 micron) Solid colored Merino top/roving fiber
- \* 3 -5oz. of a darker colored merino than the merino described in the previous bullet point
- \* 3-4 oz. Mulberry silks brick fibers or mulberry silk top fibers
- \* 1.5 oz. Embellishment Fibers (cultivated silks, and tussah silk fibers) Coordinate your colors to match your dyed merino fiber and merino fiber center base

### **Supplies & Equipment**
