

## List of supplies and materials for a 4-day class (Yekaterina Mokeyeva)

### Supplies:

- Clear thin plastic, not too thick or too thin/ stretchy, about 2 mil (painters drop), enough to cover 6' table twice;
- If you are making a garment, please bring paper to transfer the pattern;
- Plastic bubble wrap, enough to cover two 6' tables; plus an extra piece about 1m X 1m size;

- Watering device, a ball brouse, or a squirt bottle;
- Container for water/soap solution (small bucket);
- Natural liquid soap (biodegradable dish soap is the best); you can bring your favorite olive soap bar as well, but we will mostly use water/soap solution;
- Pool noodle, about 2' long;
- Elastic ties for rolling (stockings or pantyhose);
- A piece of soft fiberglass mosquito screen material, one – two yards is enough;

- Pen and notebook;
- Sharpie marker;
- Two - three old bath towels;
- Any favorite felting tools, like ceramic felting stone, palm washboard, pantry jar lid with a ribbed surface, small roller-massager, etc.
- A small (no more than 15" X 15") piece of flexible bumpy plastic shelf liner material; available on Amazon (Ikea brand), and in many common stores, like Dollar General.

- Good sharp scissors;

- Small hand mini-carder or metallic dog/cat brush
- Cheap grocery plastic bag;
- Duct tape

## **materials:**

- **12 – 14 OZ of 18 - 19 mic merino wool tops (few of your favorite colors); Please make sure that one of the hues is very dark, and one is very light, about 4 oz each. If you are planning to make a garment, the micron count of you wool should be strictly within the 18-19 range, no less and no more.**
- **Dyed plant-derived fibers: bamboo, ramie, Tencel, viscose (any one of these, in your favorite colors, 3 yards of a sliver; will be available for sale from the instructor, \$5 per yard); Plus, one yard of WHITE plant fiber sliver (any of the above).**
- **Six-seven yards of Margilan silk gauze fabric (authentic, organic, hand woven, hand dyed; will be available for sale from the instructor, \$10 per yard). The gorgeous fabric is perfect for the innovative techniques of this class and allows to create complex surfaces in a limited workshop time. It's not the same with tissue silk or other silk fabric.**
- **If you prefer to purchase all the right materials (wool is not included) carefully selected by your tutor, please bring 90 USD material fee.**
